· COLLECTION ·

*Feel right at home in
the land of the gods.*

*Welcome to your
corner of bliss.*

It's here: chiseled from the million-year-old rocks whose fingers touch the sky, shining from the vibrant brushstrokes of color that paint every sunset. These moments of bliss exist in every corner of Colorado Springs. And we've taken great joy in gathering all of it in one place. So that you and the people closest to you can spend a lifetime exploring a place with views to heaven.

But a lifetime is not something to rush. It's something to savor. To sip. To enjoy. To make part of the everyday fabric of your life. That's why we built our one-of-a-kind club and resort in a place that reflects the natural wonder in which it's immersed. Because when you're lucky enough to live in a place like this, you need to make sure it's properly enjoyed.

“The Club is an extension of our family’s lifestyle. I deeply appreciate their involvement and stewardship within Colorado Springs.”

— Mary Ellen McNally, 48-year Member

“You’ll understand what a perfect fit feels like from the very first time you step in our doors.”

— Laura Neumann, General Manager

“Having been an active member of The Club for over 50 years, each chapter of our family’s life has been enhanced by the friends made and milestones celebrated while at The Club.”

— Marvin McMurrey, Member for 53 Years

“As new members of Garden of the Gods, Jim and I are thrilled that all amenities and staff at The Club have exceeded our expectations. Certainly, we have found the golf to be fantastic and the food delicious, but we weren’t prepared for how the other club members warmly welcomed us from the very beginning.”

— Jim & Dawn Vaughn, Golf Family Members Since 2014

Right Next to Godliness

Join your community with ours and claim your home away from home in one of our 69 luxury accommodations that overlook the beautifully rugged Garden of the Gods landmark. From there, you'll be free to hike amongst the spectacular natural playground of spires, towering cliffs, and sinuous pathways; find freedom with a fly rod; let your mind coast while you shoot through single-track on a mountain bike; or float the day away in an infinity pool. Or spend your time on-site recharging from your adventures with a crisp cocktail or a bite of world-class cuisine. Then get back to it on the tennis courts, or with a ping pong paddle in our recreation center, or get lost in the towering pines at our 27-hole golf course.
